

VISA APPLICATION SUPPORT

Iinuma Gyouseishoshi office, Immigration procedures specialist.

Our office is dedicated to the practice of immigration law. We have the national license which Ministry of Justice approved. We support a procedure about your status of residence to the Immigration Bureau. It is not necessary for you to go to the Immigration Bureau for application. You can do the procedure of the status of residence without being absent from work and a school.

Our office can support procedures of the naturalization application, too.

Please call to our office in Japanese.
